COMMUNICATION

Customer Service Window, Mail Stop Amendment  
Honorable Commissioner for Patents  
U.S. Patent and Trademark Office  
Randolph Building, 401 Dulany Street  
Alexandria, Virginia 22314

Sir:

Following up on a series of telephone conferences with examiner in charge, Dr. Patel, and also following the submission of an Information Disclosure Statement on June 14, 2007, applicants submit herewith a Terminal Disclaimer with respect to applicants' earlier US patent 6,891,136.

Applicants understand from the aforementioned telephone conferences that the examiner has examined the present application and has considered the prior art cited in the IDS filed June 14, 2007, and that the present application is in condition for allowance except for possible double patenting based on one or more claims of the aforementioned Biskovsky US patent 6,891,136. The Terminal Disclaimer (and disclaimer fee) attached herewith should obviate any potential obviousness-type double patenting rejection. As the

attached Terminal Disclaimer is executed by undersigned attorney of record, compliance with 37 CFR 3.73 is unnecessary.

Applicants now respectfully await the receipt of a Notice of Allowance.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.
